Joining the lottery

On entering the lottery you agree that:

- You are 16 years of age or over.
- You will provide accurate entry information including your name, personal address and telephone numbers and accept that it is your responsibility to keep us informed of any changes as soon as they arise.
- You agree to us carrying out checks that are deemed appropriate to verify age.
- You accept that SLH Ventures Ltd is regulated by the Gambling Commission and the Fundraising Regulator and therefore we must comply with those organisations Code of Practice.

On receipt of a request to join St Luke's Weekly Lottery, you will be sent an introduction letter advising you of your membership number. Your unique game number will be generated randomly by our lottery software.

In return for your subscription payment your unique game number will be entered into the weekly draw, which is normally carried out every Friday (except when a bank holiday falls on a Friday in which case the draw will be made on the previous working day). The cost of entry is £1 per chance, per draw, payable in advance. We are required by law to collect payments in advance of all of our draws.

Payment can be made by regular direct debit, on line via our website, cheque or debit card (by telephone) or through a St Luke's Hospice Lottery collector (if this option is available in your area).

St Luke's Hospice cannot accept liability for the loss of or delays in or theft of any communication sent either by post, email or fax, or for any delays in the banking system.

Payment implies acceptance of the rules as legally binding.

Prizes and Result Publication

The weekly prize draw will be: 1st Prize £1,000, 2nd Prize £200, 30 runners up prizes of £10 each and are printed on all marketing material including our website. There are no alternatives to any prize and no interest is payable. Entrants will be notified if the prize

structure changes. All winners will be notified within 7 days by post and payment will be by cheque only. You do not have to claim your prize.

In each lottery draw, an additional £200 will be added to the rollover pot. Prior to the main draw taking place, the lottery software will randomly determine whether or not the rollover prize will be given out. If a rollover prize is to be won during a draw, it will effectively add an extra prize into the main lottery draw. Should the rollover pot reach a total of £10,000, the rollover pot will be won in the very next lottery draw.

Winners cheques will be made payable in the members name. The name cannot be altered unless a legal request is made on behalf of the member's estate, or by the member requesting in writing for the name on the cheque to be changed.

All winning numbers are published weekly on our website at www.stlukes-hospice.org.uk under the Lottery page, or are available on request by email or via post if sent with a stamped addressed envelope, or by phoning 01752 964437.
